Non-Financial Contributions

Spring Term 2010

Family

The Lancaster Steiner School non-financial contributions system requires all families with children attending 5 days a week to contribute voluntary work of a minimum of 17 hour per term to support various activities essential to the smooth running of the school.

Parents of kindergarten children are asked to contribute on a pro rata basis of 3.5 hours per term for each day a week that your child attends kindergarten, e.g. where a child attends 2 days, your contribution will be a minimum of 7 hours per term.

The form provided below is for recording your contributions of hours for the Spring term and this must be returned to the office by the beginning of the Summer term (19/04/10)

If there is a shortfall in the number of hours, your family will be asked to reimburse the school with £7.50 per hour not worked to allow the school to employ resources to undertake such work on your behalf.
